

Teaching Maths For Mastery Essentials

Boolean Maths Hub
Prices:
£195 per person
or
£300 for a pair

May
22

Venue:
Haywood Village Academy,
Weston-Super-Mare.

A one day course introducing the revolutionary teaching methods of Singapore maths. Aimed at the Primary School sector.

An opportunity to learn the essential concepts of Singapore maths and maths mastery.

This course, asked for by colleagues from across the hub region is also advertised on the Maths No Problem website. **However, we have 35 spaces available at the special rate above, only from the Boolean Maths Hub.**

We look forward to seeing you there!
